Please call Follow-up MRI/CT Study (due to original image poor quality)

Dictation Distribution: The dictation will only be sent to the names list on the Radiographic Study Review request. To add a contact to the distribution list, please contact us.

Record Review: Records should be in date order (most recent on bottom.) Medical records that require re-organization will be assessed an additional charge.

Transcription: The radiologist will only use Spine Consultants transcription services. They will not dictate to an outside company.

Scheduling the Radiographic Study Review signifies agreement to the above charges. Payment is due within 30 days of the dictated report date. A party may be placed in pre-pay status if Study Review payments are 30+ days outstanding.
