

# JESSE BUTLER, MD, CIME

ABOS certified, fellowship trained and certified independent medical examiner and practicing spine surgeon. Dr. Butler offers an evidenced-based medical opinion for spine-related (cervical, thoracic, lumbar, sacrum, coccyx) cases. His private practice, Spine Consultants, focuses primarily on workers' compensation, motor vehicle accidents, and personal injury cases.

## Highlighted Experience

- Past member of the Illinois Workers' Compensation Commission Medical Fee Advisory Board
- Northwestern University - Orthopedic Surgical Residency, Chicago, Illinois
- Rush-Presbyterian St. Luke's Medical Center - Spine Surgery Fellowship, Chicago, Illinois
- Certified in AMA Guides to the Evaluation of Permanent Impairment 6th Edition by the American College of Disability Medicine

Dr. Butler is a credible expert witness renowned for clear defensible medical opinions.

## What a client has to say...

"Dr. Butler grades in the following parameters: high in attentiveness to each case, including turnaround time on report; quality of the report including accuracy, completeness and foundation; and value for the service relative to the product rendered. Dr. Jesse Butler is independent, objective, credible. He is a very desirable medical expert, which is why I highly recommend him."

-David Crawford, Crawford Evaluation Group
